Please Note: For the "B" and "A" course only.... Any coach who does not pass the written and/or practical part of the tests, can retake the test in question during another course at NO additional cost. However, if the applicant fails a total of three times, they must take the entire course over and the entire fee is required.

Coaches should come prepared to participate in class and technical activities. Remember to bring a ball, shorts, sneakers, writing materials, water and a good attitude.

Any coach who is more then a half an hour late will not receive credit for that session and will have to make that session up at another location.
