History of the LI Cup

The Long Island Junior Soccer League, prior to 1982, conducted an annual cup competition known as the Long Island Cup. In January of 1982 the Chase Manhattan Bank and the Long Island Junior Soccer League joined together in the creation of the ChaseCup.

In 1994 when corporations were forced to cut back, Waldbaum's came forward as a co-sponsor, for the Chase/Waldbaum's Cup. In the Fall of 1995 when Chase went through a merger they dropped their support. Waldbaum's (A&P Family of Supermarkets) at that time stepped up and became the sponsor of the Waldbaum's Challenge Cup.

In 2002 Vytra Health Plans also donated generously to the Challenge and accordingly, the name of the competition was changed to the Waldbaum's/Vytra Long Island Youth Soccer Challenge.

From 2003-2010 Waldbaum's was the sole sponsor of the tournament.

Beginning in 2018, the league reached an agreement with Petro Home Services to be the tournaments' Presenting Sponsor.

Presently the LI Cup is one of the largest single elimination tournaments in the country.

We wish to thank all the past sponsors, *as well as our new sponsor*, for their generosity.

If for any reason a club is temporarily without a home field for a scheduled LI Cup game(s), it may arrange with the visiting club(s) for use of their field for the game(s). The visiting club is under no obligation to provide their field for such a match. Should such a home team have to play away, it would still retain home team designation in the match. However, in this situation, the designated home team is not responsible for conditions of the fields (playing area).
- b. **Home Team Responsibility** The home team is responsible for the condition of the playing area (field). This includes proper marking of the field including, all lines representing the field of play and proper equipment such as nets and corner flags. Nets and five (5) foot corner flags are required.

Penalty

If the field is not properly marked or corner flags and or nets are not in place for the scheduled start of the game, a fifteen (15) minute grace period will be allowed. If however, the responsibilities are not met after the fifteen (15) minutes, the **HOME** team will forfeit the match (game). This determination will be made by the referee of the game.

- c. **Central Playing Field (Neutral Site)**

A central playing field(s) or site will be used for final games played on the scheduled dates of play. The league will provide the essential items such as field marking, goal nets and corner flags. The designated home team is not responsible for the field conditions or equipment.

d. Confirmation

Time and Field. The home team's adult supervisor (coach) shall confirm the game time, field location and directions with the visiting team's adult supervisor (coach) at least one week prior to the game date. **If the visiting team does not hear from the home team, they should contact the home team to obtain the game information.**

Uniform Colors At the time of confirming time and field location, the home team's adult supervisor shall also verify the uniform colors with the visiting team's adult supervisor (coach). This shall be done to avoid conflicts of uniform color on game day. This also applies to the semi-final and final rounds of play.

e. Position of the Players and Spectators at the Site of the Game

The coaches and players of **BOTH** teams will occupy **ONE** side of the field. The allowed area will be from the tops of the penalty box areas. The spectators from **BOTH** teams will occupy the other side of the field. Both spectators and teams are required to remain behind the secondary sideline (spectator line) which runs parallel with the side line between the tops of the penalty boxes.

4. Number of Players

- a. **Minimum** A minimum number of **Seven** (7) players shall be required for a scheduled match (game). Should a team be unable to field the minimum of seven players, it shall, after a period of fifteen (15) minutes forfeit the game, (1-0). The minimum number of players in the U-11, U-12, age groups shall be **Six** (6) and in the U9, U10 age groups shall be **Five** (5).
- b. **Start at a Scheduled Time** At the scheduled time for the match (game), **Seven** players will constitute a team. Therefore, the match (game) will start at the scheduled time with the **Seven** (7) players. **Five** players for U9 and U10 and **Six** players for U11 and U-12 will also follow the above.

5. Substitutions Refer to LIJSL, Rules and regulations, Rule 5., Latest Edition.

- a. **Permitted** Substitutions may be used in any match that is played under the jurisdiction of the LIJSL
- b. **Unlimited** A team shall be permitted to use as many substitutions (unlimited) as it desires in a match.

6. Delaying the Start of a Game.

Any team delaying the start of a scheduled game more than **Fifteen** (15) minutes without the sanction of the league's governing authority, (Cup Coordinator) shall forfeit the game, with the score being recorded as a loss for the offending team. The **Fifteen** (15) minute grace period begins at the completion of a previous game on fields with multiple games or the scheduled starting time of the first game on a field. (If the field is delayed due to previous games running late the 15 minutes begins when the game before yours ends)

7. Delaying a Game to Effect a Change in Uniform Colors.

Where the colors of uniforms necessitate a change due to similarity, the **Home** team must effect a change of uniform colors that are distinct from the colors of the opponent's uniform colors. The **Home** team shall be penalized with a forfeit if it cannot effect a change in uniform color within the **Fifteen** (15) minute grace period allowed for delaying a game. Ample opportunity is provided so a conflict should not occur. **Refer to Section IV, 3d. Confirmation Uniform Colors.**

8. If a Team Fails to Appear.

- a. **Fails to Appear**
The team that does appear must complete the "Game Roster Form", Line up and kick-off, after the fifteen minute grace period has passed. The referee will then terminate the game and record the game as a 1-0 forfeit on the referee report. The club will be assessed a fine of **One Hundred Dollars** for each time a team fails to appear for a scheduled match (game). The Club will, in addition, be assessed the full referee fee for each occasion a team fails to appear.
- b. **Schedule Commitment.**

Should a team fail to meet its commitment to the match (game) schedule (appearance and participation) for the competition, the Club will be assessed a **One Hundred Dollar (\$100.00)** fine for each occurrence. The Club, in addition, will be assessed the **Full** referee fee for each occurrence.

9. If Both Teams Fail to Appear.

In the event that both teams fail to appear for a scheduled match (game), and the referee rules that the field was playable, **both** teams will be assessed a **loss**. The penalty will be both clubs being assessed a **One Hundred Dollar (\$100.00)** fine each, and the referee fee being split between the two clubs.
