***Part 10 – Bad Weather and or Poor Conditions**

Part 10. Bad Weather and/or Poor Field Conditions a) Inspection of Playing Site It shall be the home team Adult Supervisors or the Club's designated governing authority's responsibility to inspect the game field prior to the match. In the event of bad weather, the Home Team Adult Supervisor, after inspection of the field, must notify the League Coordinator and/or Supervisor no later than 2 hours prior to the scheduled starting time of the match that field conditions may require postponement of the match. b) Both Teams Must Appear Should any part of the two (2) hour notification period lapse, regardless of weather and/or field conditions, Adult Supervisors and their teams must appear at the match (game) site, ready to play at the scheduled time of the match, or the match will be forfeit. Once any part of the two (2) hour notification period has lapsed, the Referee is the only person authorized to cancel the match. In the event that weather and/or field conditions are questionable for playing the match and the Referee fails to appear, the decision to play or cancel is granted to the Home team.
