AED Amendment to Rules and Procedures of ENY

Recommended addition to the Rules & Procedures of the ENYYSA By-Laws:

All Leagues, Clubs and Teams must have an appropriate number of Automated External Defibrillator (AED) available on-site at all Tournaments, Games, Training Sections, Practices, Camps and/or Soccer Activities in compliance with New York State and Local laws, rules and/or regulations.

ENYYSA will not sanction any tournament without a Tournament Acknowledgement Form being executed by an authorized individual associated with the tournament prior to any tournament.

Each League, Club and Team will be responsible to confirm the availability of the AED prior to any soccer activity. Failure to have an AED on site at any soccer game could result in the cancellation of the game, or forfeiture of the game by the home team, or any other results as the League or ENYYSA deems just and proper. The Team must notify the referee of the lack of an AED at the field prior to the start of any game and confirm that the referee notes the missing AED on his or her referee report.
