Step 2: [Registration Form](#) 🎥

- Registration Forms, an integral step of the registration, can be used for questions you want answered by the registrants, such as T-Shirt Size, or preferred team. As well as can be used for uploading documents such as Birth Certificates.

Step 3: [Registration Fees](#) 🎥

- This article will demonstrate how to set up your fees for the registration so you can collect money.

Step 4: [Appearance](#) 🎥

- This article will demonstrate how you can customize the look and feel of your program registration to fall more inline with your clubs colors and appearance.

Step 5: [Features](#) 🎥

- While not required, Features can be an extremely useful tool for adding supplemental costs, or discounts, to a program registration.

Step 6: [Adding a Birth Certificate](#) 🎥

- This article will demonstrate how to set up a Birth Certificate Repository for collection during registration.

Step 7: [Adding Medical Release Forms](#)

Accounting Code

⚠ Accounting codes are used for team and club invoicing.

Most organizations create a new accounting code to more easily separate the financial reporting of this event from previous events. We recommend using a unique code for each event to keep billing separate. However, you can use the same accounting code across multiple events to consolidate team billing into fewer accounts for returning teams, but the reporting will be combined with the previous event's invoicing.

Step 1: Once On the Teams Page, Click Registration Tab to scroll Down and Find The Official Event for LIJSL

The screenshot shows the GotSport web application interface. On the left is a dark blue sidebar with a menu including Dashboard, Users, Venues, Communications, Club Management (highlighted in green), Scheduling, Programs, Archives, Features, Billing, Forms, and a Support button. The main content area has a top navigation bar with tabs: Club Management, Teams (selected), Registration (highlighted with a red arrow), Match Minutes, and Merge Club Users.
