Birth Year and Season Matrix

When determining the age group for a season, the year the season ends should be used for determining the birth year. Also note that the format "U followed by age" really means that age and younger. For example. US should be read as 8 and younger.

Season	2019-2020	2020-2021	2021-2022	2022-2023	2023-2024	2024-2025	2025-2026	2026-2027		2027-2028
